

Ceremo Outer Bag Instructions

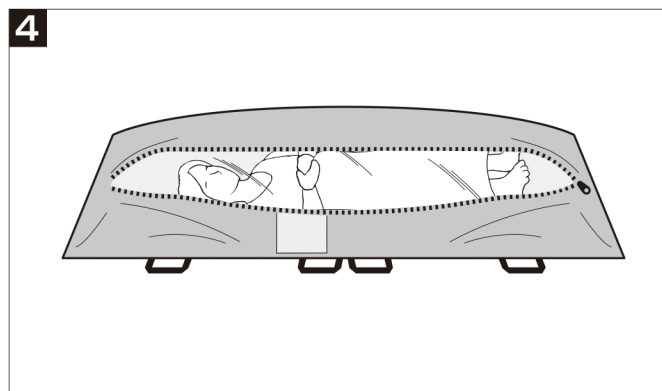

Open the outer bag zipper side up and open fully.

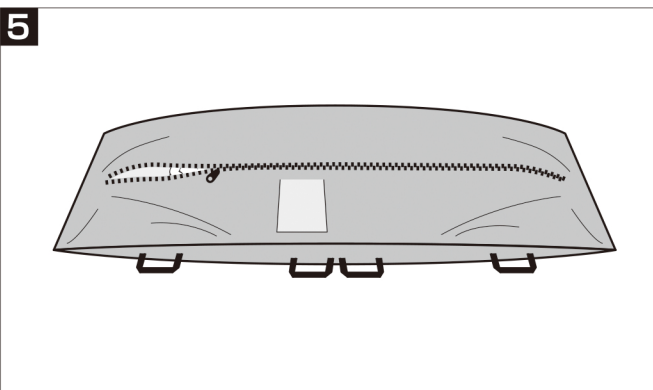

With the zipper fully open, place the Ceremo inner bag inside.

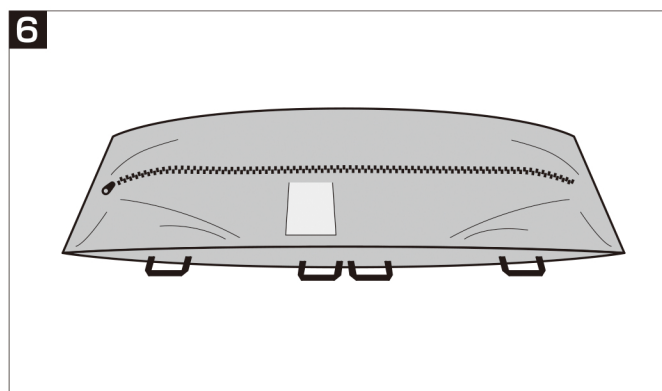

**Place the body inside the inner bag.
For inner bag instructions, please refer to the
Ceremo Inner Bag Instructions sheet.**

Slide the inner bag fully into the outer bag.

Completely close the zipper.

Transport the body using the attached 8 handles.

Caution

**Do not store the body near sharp or protrusive objects.
Do not drag or otherwise scratch or puncture the bag, as it may cause damage.
Should the sliders come off, please see Ceremo Inner bag Instructions.
If the bag is properly sealed, not having the sliders will not affect performance.**
